CURRENT POSITION

Senior Lecturer in Bioethics and Society, Department of Social Science, Health & Medicine, King's College London (Oct 2012 - ...)

Affiliated Research Fellow, Institute of Biomedical Ethics, University of Zurich (Oct 2012 - ...)

EDUCATION

- | | |
|-------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2013 | Habilitation in Biomedical Ethics (~Ph.D. in Bioethics), University of Zurich (CH) |
| 2004 | Doctor of Medicine (~MD / Ph.D. in Physiology; <i>summa cum laude</i>), University of Freiburg (D) |
| 2003 | Medical degree, University of Freiburg (D)
With visiting studentships at St. George's Hospital Medical School (UK), Mount Sinai School of Medicine (US), Tulane University School of Medicine (US), Université Paris VI (F), Université de Toulouse (F) |
| 2002 | Bachelor of Arts in Philosophy and History, University of Freiburg (D) |
| 1998 / 2004 | United States Medical Licensing Examination steps 1 & 2 |

PAST POSITIONS

- | | |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| Oct 2011 – Sept 2012 | Clinical Ethicist (part-time), University Hospital Zurich |
| Oct 2005 – Sept 2012 | Assistant Professor, Institute of Biomedical Ethics, University of Zurich (on leave Oct 2007 – Sept 2010) |
| Oct 2007 – Sept 2010 | Post-doctoral Fellow, Department of Bioethics, U.S. National Institutes of Health |
| Sept 2005 | Senior Research Fellow, Institute of Medical Ethics, Charité Berlin |
| June – Aug 2005 | Scientific Coordinator, Parliamentary Commission on Ethics and Law in Medicine, German Parliament |
| July 2004 – June 2005 | Pediatric Resident, Department of Neonatology, Charité Berlin |

Jan 2004 – May 2004 Senior Ethics Fellow, Department of Ethics, Trade, Human Rights and Health Law, World Health Organization

VISITING POSITIONS

May 2015 Visiting Scholar, ETHOX Centre, University of Oxford

June – Aug 2013 Fellow, Institute of Advanced Study, University of Konstanz

Jan – Feb 2012 Visiting Researcher, Fondation Brocher, Hermance

RESEARCH EXPERIENCE

Conceptual bioethics Conceptual and normative analysis

Empirical bioethics Quantitative and qualitative studies (design, implementation, analysis), systematic literature reviews, expert and stakeholder consultation, medical records analysis

Non-bioethics Various methods in electrophysiology and molecular biology (patch clamp, intracellular potential measurements, Ussing chamber, PCR etc.), clinical quality management, archives research in medical history

PUBLICATIONS

I) MONOGRAPHS

1) **Schulz-Baldes A**: *Der Mineralokortikoidrezeptor ist keine Voraussetzung für die Stimulierung des transepithelialen Na⁺-Transportes durch Glukokortikoide – Messungen an der Mineralokortikoidrezeptor Knock-out Maus*, Freiburg 2003. Available from: <http://www.freidok.uni-freiburg.de/volltexte/1125/pdf/doktora.pdf> (retrieved 13 Aug 2014)

II) EDITED BOOKS (*peer-reviewed)

2)* Fourie C, **Rid A** (Eds): *How much is enough? Sufficiency and thresholds in health care*, Oxford University Press: Oxford, New York (*under contract*)

1) Biller-Andorno N, Schaber P, **Schulz-Baldes A** (Hrsg): *Gibt es eine universale Bioethik?*, Mentis: Paderborn 2008 (pp. 338)

Review: Schmidt H: *Medicine, Health Care and Philosophy* (2009), 12(1): 113

III) EDITED JOURNAL ISSUES (*peer-reviewed)

3)* **Rid A**, Shah SK (Eds): *The Social Value of Research*. Bioethics, Wiley: Hoboken, NJ (*in preparation*)

2)* **Rid A** (Ed): *Treatment decision making for incapacitated patients: Can and should we predict patients' preferences?* *Journal of Medicine and Philosophy* 39(2), Oxford University Press: Oxford, New York 2014, 99-204

1)* **Rid A**, Biller-Andorno N (Eds): *Mini Symposium on Norman Daniels' „Just Health – Setting limits fairly”* (with a reply by Norman Daniels), *Journal of Medical Ethics* 35(1), BMJ Publishing Group Ltd.: London 2009, 1-41

IV) PAPERS IN JOURNALS (*peer-reviewed)

34)* Wendler D, **Rid A**: Genetic research on biospecimens poses minimal risk. *Trends in Genetics (forthcoming)*

33)* Bromwich D, **Rid A**: Can informed consent to research be adapted to risk? *Journal of Medical Ethics (forthcoming)*

32)* **Rid A**, Emanuel EJ (2014): Ethical considerations of experimental interventions in the Ebola outbreak. *Lancet (in press)* [with podcast]

Subject of two responses:

Folayan M, Brown B, Yakubu A, Peterson K, Haire B: Compassionate use of experimental drugs in the Ebola outbreak. *Lancet (in press)*

Jacob ST, Crozier I, Schieffelin JS, Colebunders R: Priorities for Ebola virus disease response in west Africa. *Lancet (in press)*

31)* **Rid A**: Setting risk thresholds in research: Lessons from the debate about minimal risk. *Monash Bioethics Review (forthcoming)*

30)* **Rid A**, Wesley R, Pavlick M, Maynard S, Roth K, Wendler D: Patients' priorities for treatment decision-making during periods of incapacity: Quantitative survey. *Palliative & Supportive Care (in press)*

29)* Charles A, **Rid A**, Davies H, Draper H (2014): Prisoners as research participants: Current practice and attitudes in the UK. *Journal of Medical Ethics (in press)*

28)* **Rid A**, Emanuel EJ (2014): Why should high-income countries help combat Ebola? *Journal of the American Medical Association* 312(13): 1297-1298

27)* **Rid A** (2014): How should we regulate risk in biomedical research? An ethical analysis of recent policy proposals and initiatives. *Health Policy* 117(3): 409-420

26)* **Rid A**, Abdoler E, Roberson-Nay R, Pine SD, Wendler D: Evaluating the risks of clinical research (2014): Direct comparative analysis. *Journal of Child and Adolescent Psychopharmacology* 24(7): 390-8

25)* **Rid A**, Saxena A, Baqui AH, Bhan A, Bines J, Bouesseau MC, Caplan A, Colgrove J, Dhali A, Gomez-Diaz R, Green SK, Kang G, Lagos R, Loh P, London AJ, Mulholland K, Neels P, Pitisuttithum P, Sarr SC, Selgelid M, Sheehan M, Smith PS (2014): Placebo use in vaccine trials: recommendations of a WHO expert panel. *Vaccine* 32(37): 4708-12

Subject of a commentary: Greenwood B (2014): The use of placebo in vaccine trials. *Lancet* 383 (9935): 2101-2102

24)* **Rid A**, Wendler D (2014): Use of a *Patient Preference Predictor* to help make medical treatment decisions for incapacitated patients. *Journal of Medicine and Philosophy* 39(2): 104-129

23)* **Rid A**, Wendler D (2014): Treatment decision making for incapacitated patients: Is development and use of a *Patient Preference Predictor* feasible? *Journal of Medicine and Philosophy* 39(2): 130-152

Subject of a special issue of the *Journal of Medicine and Philosophy* with an editorial and six replies:

Dan Brock (2014): Reflections on the *Patient Preference Predictor*. *Journal of Medicine and Philosophy* 39(2), 153-160

Hilde Lindemann & James Lindemann Nelson (2014): The Surrogate's Authority. *Journal of Medicine and Philosophy* 39(2), 161-168

Stephen John (2014): *Patient Preference Predictors*, Apt Categorisation and Respect for Autonomy. *Journal of Medicine and Philosophy* 39(2), 169-177

Rebecca Dresser (2014): Law, Ethics and the *Patient Preference Predictor*. *Journal of Medicine and Philosophy* 39(2), 178-186

Scott Kim (2014): Improving Medical Decisions for Incapacitated Patients: Does Focusing on 'Accurate Predictions' Lead to an Inaccurate Picture? *Journal of Medicine and Philosophy* 39(2), 187-195

Peter Ditto & Cory J Clark (2014): Predicting End-of-Life Treatment Preferences: Perils And Practicalities. *Journal of Medicine and Philosophy* 39(2), 196-204

22)* Abdul-Karim R, Berkman BE, Wendler D, **Rid A**, Khan J, Badgett T, Hull SC (2013): Disclosure of Incidental Findings from Next Generation Sequencing in Pediatric Genomic Research. *Pediatrics* 131: 564-571

21)* Monteverde S, **Rid A** (2012): Controversies in the determination of death: perspectives from Switzerland. *Swiss Medical Weekly* 142: w13667

20)* Kelly B, **Rid A**, Wendler D (2012): Systematic Review: Individuals' Goals for Surrogate Decision Making. *Journal of the American Geriatrics Society* 60(5): 884-95

19)* **Rid A**, Wendler D (2011): A Proposal and Prototype for a *Research Risk Repository* to Improve the Protection of Research Participants. *Clinical Trials* 8: 705-715

Subject of an editorial: Botkin J (2011): The value of evidence-based risk assessments. *Clinical Trials* 8: 685-686

18)* **Rid A**, Wendler D (2011): A Framework for Risk-Benefit Evaluations in Biomedical Research. *Kennedy Institute of Ethics Journal* 21(2): 141-179

Included in: World Health Organization, Department of Ethics, Equity, Trade, and Human Rights: *WHO Research Ethics Online Training*

17)* Wendler D, **Rid A** (2011): Systematic Review: The Effect on Surrogates of Making Treatment Decisions for Others. *Annals of Internal Medicine* 154(5): 336-46

16)* **Rid A**, Emanuel EJ, Wendler D (2010): Evaluating the Risks of Clinical Research. *Journal of the American Medical Association* 304(13): 1472-79

Subject of a response: Rossi J, Nelson RM (2012): Is there an objective way to compare Research risks? *Journal of Medical Ethics* 38: 423-427

15)* **Rid A**, Wendler D (2010): Can we improve medical treatment decision-making for incapacitated patients? *Hastings Center Report* 40(5): 36-45

14)* **Rid A**, Wendler D (2010): Risk-benefit assessment in medical research – critical review and open questions. *Law, Probability and Risk* 9(3-4): 151-177

13)* **Rid A**, Schmidt H (2010): The 2008 Declaration of Helsinki: first among equals in research ethics? *Journal of Law, Medicine and Ethics* 38(1): 143-148

12)* **Rid A**, Schmidt H (2009): Die erneut überarbeitete “Deklaration von Helsinki”: wie sind die Änderungen aus ethischer Sicht zu beurteilen? *Deutsche Medizinische Wochenschrift* 134(49): 2525-2528

Reprinted in: Ehni H-J, Wiesing U (Hrsg.): *Die Deklaration von Helsinki: Revisionen und Kontroversen*, Deutscher Ärzteverlag: Köln 2012, pp. 25-31

11)* **Rid A**, Bachmann L, Wettstein V, Biller-Andorno N (2009): Would you sell a kidney in a regulated kidney market? Results of an exploratory study. *Journal of Medical Ethics* 35(9): 558-564

10)* **Rid A** (2009): Justice and Procedure: How does “accountability for reasonableness” result in fair limit-setting decisions? *Journal of Medical Ethics* 35(1): 12-16

Subject of a response: Daniels N (2009): Just health: replies and further thoughts. *Journal of Medical Ethics* 35(1): 36-41

German translation: **Rid A**: Faire Allokationsprozesse: zum Verhältnis von substantieller und prozeduraler Gerechtigkeit in Norman Daniels’ *Just Health*. In: Strech D, Marckmann G (Hrsg.): *Public Health Ethik*, LIT Verlag: Münster 2009, pp. 159-174

Interdisziplinäres Kolloquium des Instituts für Medizinische Ethik und Geschichte der Medizin für Nachwuchswissenschaftler und -wissenschaftlerinnen, Ruhr-Universität Bochum, 13.-17. Februar 2006, *Ethik in der Medizin* 18(2):195-200

PRESENTATIONS (Selection)

Academic institutions	Harvard, Stanford, National Institutes of Health, University of Oxford, London School of Economics, King's College London, Université de Geneve, University of Zurich, Université Pierre et Marie Curie, Charité Berlin
Policy institutions	World Health Organization, World Medical Association, Swiss Ministry of Health, U.K. National Research Ethics Service
International	International Association of Bioethics, American Society for Bioethics

conferences and Humanities, Society of Applied Philosophy, European Society for Philosophy of Medicine and Healthcare, European Society of Medical Oncology, European Forum for Good Clinical Practice, Public Responsibility in Medicine and Research (PRIM&R), International Society of Organ Donation and Procurement

GRANTS FOR RESEARCH PROJECTS [Total grant income: ~GBP 590'000]

2013 – 2015 European Commission, Marie Curie Fellowship (ETHICAL RISK Project: “An ethical framework for the “risk-based” regulation of biomedical research”; €209'000)

2012 – 2013 University of Zurich, Research Fellowship (Project: “Systematic Evaluation of Research Risks”; CHF 51'100)

2012 – 2013 University of Konstanz, Institute of Advanced Study (Project: “The Ethics of Risk in Biomedical Research”; €36'500 – partially accepted)

2011 – 2012 Swiss Academy of Medical Sciences (Project: “Risk-based Regulation of Biomedical Research: Ethical Considerations”; CHF 20'000)

2010 – 2011 Swiss Academy of Medical Sciences (Project: “Minimal Risk in Clinical Research”; CHF 45'000)

2010 – 2011 U.S. National Institutes of Health, Department of Bioethics (Project: “Risks of Phase 1 Research with Healthy Volunteers”; with E. Emanuel and D. Wendler, ~\$25'000)

2009 – 2010 U.S. National Institutes of Health, Department of Bioethics (Project: “Systematic Evaluation of Research Risks”; with E. Emanuel and D. Wendler, ~\$95'000)

2008 – 2011 U.S. National Institutes of Health, Department of Bioethics (Project: “Patients’ Views on Surrogate Decision-Making”; with D. Wendler and collaborators at George Washington University Hospital, ~\$15'000)

2007 – 2010 Swiss National Science Foundation, Fellowship for Advanced Researchers (Project: “Risk-benefit assessment in biomedical research” \$116'500)

GRANTS FOR WORKSHOPS AND MEETINGS

2015 Fondation Brocher (Project: Improving equitable access to health care through increasing patient and public involvement in prioritisation decisions. International Workshop at the Fondation Brocher, Hermance, Switzerland; with P. Littlejohns, D. Rumbold, A. Weale and J. Wilson, ~CHF 100'000)

2012 Swiss National Science Foundation and Corti Foundation (Project: International Workshop “The Relevance of Sufficiency for Just Health Care”; with C. Fourie and A. Leist, CHF 10'000)

2007 Research Priority Programme in Ethics (University of Zurich) and Swiss Re (Project: International Workshop “Meeting the Author: Norman Daniels, Professor of Population Ethics and Professor of Ethics and Population Health at Harvard University”; with N. Biller-Andorno, CHF 9’500)

SCHOLARSHIPS AND AWARDS

2016 German Research Foundation / Hannover Medical School, Mercator Fellowship (£48’677)

2015 University of Oxford, ETHOX Centre, Caroline Miles Visiting Scholarship (£2’000)

2012 International Association of Bioethics and University of California, Pacific Center for Health Policy and Ethics, Mark S. Ehrenreich Prize in Healthcare Ethics Research, Second Prize (\$500)

2012 Fondation Brocher, Visiting Scholarship (2 months in residence)

2007 – 2010 U.S. National Institutes of Health, Intramural Research Training Award fellowship (\$187’000; partially accepted)

2009 & 2010 Swiss National Science Foundation, CH Link award (CHF 4’000)

2004 Carlo-Schmid Program for Internships in International Organizations and EU-Institutions, stipend (~€7’000)

2002 – 2003 German Academic Exchange Service, stipend (~€7’500)

1999 – 2001 German Academic Exchange Service and German National Merit Foundation, stipend (~DM15’000)

1999 University of Freiburg, student delegate to the Annual Meeting of Nobel Prize Laureates in Lindau

1996 – 2003 German National Merit Foundation, scholarship (~DM10’000)

POLICY CONSULTATION

2012 – ... Council for International Organizations of Medical Sciences, member of the working group to update the 2002 CIOMS International Ethical Guidelines for Biomedical Research Involving Human Subjects

2013 World Health Organization, member of a consultation group on the ethics of placebo-controlled vaccine trials

2012 World Medical Association, consultant during the updating process of the 2008 Declaration of Helsinki

2011 Swiss Ministry of Health, consultant during the drafting process of the Swiss regulations on biomedical research

- 2011 – 2012 European Society of Medical Oncology, member of the Ethics Committee
- 2005 – 2007 World Health Organization, external advisor during the updating process of the 1991 WHO Guiding Principles on Human Cell, Tissue and Organ Transplantation

CLINICAL & RESEARCH ETHICS CONSULTATION

- 2011 – 2012 Clinical Ethicist (part-time), University Hospital Zurich
- 2007 – 2010 Clinical Ethicist & Clinical Ethics Committee member (part-time), The Clinical Center, U.S. National Institutes of Health
- 2007 – 2009 Institutional Review Board member, U.S. National Institutes of Health

REFERENCING SERVICE

- 2012 – ... Editorial Board member, Research Ethics Forum Book Series, Springer
- 2005 – ... Book reviews and referee's reports for Bioethics; Journal of Medical Ethics; Journal of Medicine and Philosophy; Kennedy Institute of Ethics Journal; Medicine, Healthcare and Philosophy; Public Health Ethics; Bioethica Forum; Philosophy, Ethics and Humanities in Medicine; IRB: Ethics & Human Research; Journal of Empirical Research on Human Research Ethics; Research Ethics; Ethik in der Medizin; Social Science & Medicine; BioSocieties; WHO Bulletin; Journal of General Internal Medicine; Critical Care Medicine; BMJ Open; Pediatrics; Acta Paediatrica; Alzheimer's & Dementia; American Journal of Transplantation; Cell & Tissue Banking; Clinical Trials

ORGANIZED WORKSHOPS, SYMPOSIA AND MEETINGS

- 2015 *Improving equitable access to health care through increasing patient and public involvement in prioritisation decisions.* International Workshop at the Fondation Brocher, Hermance, Switzerland (with P. Littlejohns, D. Rumbold, A. Weale and J. Wilson)
- 2012 *How much is enough? Sufficiency and thresholds in health care,* International Workshop at the Ethics Centre, University of Zurich (with C. Fourie and A. Leist) ; outcome: Edited volume under contract
- 2012 *Who should be listed for transplantation? Psychiatric, legal and ethical aspects,* Symposium at the University Hospital Zurich (with T. Krones)
- 2009 *Systematic Analysis of Research Risk,* International Workshop at the Department of Bioethics, National Institutes of Health (with E. Emanuel and D. Wendler); outcome: Paper in *JAMA* 2010

- 2007 *Meeting the author – Norman Daniels*, International Workshop at the Ethics Centre, University of Zurich; outcome: Norman Daniels symposium in the *Journal of Medical Ethics* 2009 (7 papers with response by Norman Daniels and editorial)
- 2006 *Human Cell and Tissue Transplantation – An International Symposium on Ethical and Policy Issues*, Joint International Meeting of the World Health Organization and the University of Zurich (with N. Biller-Andorno, A.M. Capron and L. Noel); outcome: Paper in *WHO Bulletin* 2007
- 2006 *Is a universal bioethics possible?* International Workshop at the Ethics Centre, University of Zurich (with N. Biller-Andorno and P. Schaber); outcome: Edited volume with *Mentis* 2009
